

ANNOUNCEMENT

CONDUCTING A TENDER FOR THE PURPOSE OF IMPLEMENTING THE ENTRY TESTING OF "INGO ARMENIA" INSURANCE CJSC

"INGOARMENIA" Insurance CJSC (hereinafter referred to as the Company) announces an open tender (hereinafter referred to as the Tender) for the selection of a reputable service provider to assess the security of its digital infrastructure.

The selected firm will be responsible for identifying vulnerabilities in the Company's IT infrastructure and recommending improvements to increase the Company's IT security level.

Organizations that meet the following criteria at the same time can participate in the competition:

- Proven experience conducting testing for at least 5 organizations of similar size and complexity.
- Certified professionals with CEH, OSCP, CISSP, CCNP or other equivalent qualifications.
- Ability to provide detailed, clear and actionable reports.
- Reviews from previous customers.

Scope of work:

1. External Penetration Testing. Assess the security of the Company's external systems, including web applications, network services and other Internet assets.
2. Internal Penetration Testing. Assess the security of internal systems, networks, and applications to identify potential insider threats.
3. Security assessment of wireless networks. Test the security of the Company's wireless networks to assess protection against unauthorized access and vulnerabilities.
4. Social engineering testing. Conduct simulation of phishing attacks and other social engineering tactics to assess employee awareness and preparedness.
5. Report. Provide a detailed report on results, including risk assessment, recommendations for improvement and priority action plan.

Submission Details: Interested companies are requested to submit their proposals by August 1 of this year. Proposals should include:

- Company profile and relevant experience
- Detailed methodology and approach
- Team qualifications and certifications

- Sample reports of previous work (with the client's permission or anonymized)
- Work completion schedule
- Cost breakdown and pricing model

Evaluation criteria: Proposals will be evaluated according to the following criteria:

- Technical experience and skill
- Quality of methodology and approach
- Team qualifications and certifications
- Cost effectiveness
- Customer references and feedback

Tenders will be opened and summarized by the tender committee on August 7, 2024. The relevant contract with "IngoArmenia" Insurance CJSC will be signed no later than August 10, 2024.
